

ARCHERY ASSOCIATION OF INDIA

REPORT OF THE SECRETARY GENERAL

for the period

16th February, 2008 to 30th June, 2009

Dear friends,

At the outset, it gives me immense pleasure in welcoming you all to this meeting being held today. I feel privileged to present my report in the capacity of Secretary General before this August House covering the period 16th February, 2008 to 30th June, 2009. Copies of Minutes of the last General Council Meeting of the AAI held on 16th February, 2008 at Delhi are placed for approval as Annexure (A)

The Report is presented to you as a summary of the important events, developments and significant progress AAI has made as an organization during the period under consideration. I am sure you will enjoy reading. Upon reviewing the period, it was very important for AAI as we formulated our Strategic Plan and then began the important step outlined in our plan.

The period of the report has been a very exciting and most successful in terms of achievements attained. I remember those initial days when Archery was confined to the East and the North East part of India. States like West Bengal, Manipur, Meghalaya, Bihar, Delhi and Assam used to hog all the limelight. But today archery has spread all over the country. Actually, Indian archery has seen a resurgence on two occasions; first from 1989 to 1992, often called the 'Limba Ram period', and then from 2003 to now, when new generation, namely Tarundeep Rai, Jayanta Talukdar, Rahul Banerjee, Mangal Singh, Satyadev Prasad, Viswash, Prabhat Kandir, Ravindhar, Palton in men section and Dola Banejee, Reena Kumari, Chekrovolu, Bomabyla Devi, Pranitha, Jhanu Hansdah, Bheigyabati Chanu, Sakro Besra, Manjudha Soy in women have unveiled their talent. Significantly, the current rise of Indian archery hold out more promise than the olden reign, simply because the country has good archers in greater number. In short, its quality supply base is wider for which I appreciate the role played by Tata Archery Academy -Jamshedpur; Army Sports Institute-Pune; Gurukul Prabhat Ashram- Meerut and Mittal Champions Trust- Mumbai, Sports Authority of India and our active member associations of course. The entire world is observing with curiosity towards India' surge, as it figures among the top two countries now.

I strongly believe that everyone involved in our family will be making archery stronger and more successful. I am sure that whole Archery fraternity includes Presidents & Secretaries of State Associations/Units, Executive Council Members, Coaches, Officials and above all "Archers" be our comrades in accomplishing AAI motto - 'Adventure of Excellence', and we shall surely succeed.

Through this report, I wish to congratulate our Senior and Junior Archers both men and women and their respective Coaches for their enormous efforts to make India proud. Meantime, I call upon our Archers and Coaches to put all-out efforts to develop a strong winner's instinct in the days to come. However, further progress is only possible by becoming more and more focused on quality and setting clear priorities.

Let's have a look at AAI activities during the period of report step-by-step :-

International Competitions :

The details of International Tournaments in which our Archers took part are as follows:-

a) 2nd South Asian Archery Championship

It is a matter of great pride that Archery Association of India had conducted 2nd South Asian Archery Championship (SAAC) at JRD TATA Sports Complex, Jamshedpur (Jharkhand) from 6th to 10th March, 2008 inviting Bhutan, Bangladesh, Nepal, Pakistan, Sri Lanka, Afghanistan including host country. Countries except Pakistan and Afghanistan participated in the event.

To support the development programme in South Asian region, Bamboo Bow event was also introduced as a part of SAAC for the first time. Free boarding, lodging and local transportation facilities were provided to all participants.

The job done by Jharkhand Archery Association and TATA Steel being local hosts of the event with the active support of devoted workers & volunteers of Organising Committee and Technical Officials of the event was really very commendable.

Indian archers exhibited their prowess and dominated the entire competition by winning 15 Golds, 6 Silvers in individual as well as team events.

Performance details of Indian Archers are attached as Annexure (B-I)

The summarized results are as follows :-

RECURVE WOMEN

Among Recurve Women Archers, Bombayla Devi and Chekravolu Swuro did well as individual capacity in 1/32 and 1/16 levels but they lost their respective 1/8 round. Two of our archers - Pranitha and Dola Benerjee lost out in their first matches. Recurve women team eliminated Mexico (196 Vs 194) in pre-quarter final but lost to Italy (212 Vs 209) in quarter final match. They stood at 6th position.

RECURVE MEN

The effort of Tarundeep Rai (ranked 4th) and Mangal Singh Champia (ranked 6th) was creditable. Before loosing semi-final, Tarundeep ousted four opponents of different countries. Unluckily, he returned home empty-handed when he missed Bronze Medal Match whereas Mangal Singh lost at ¼. Jayanta Talukdar and Rahul Banerjee could register only one win in their name. After entering into quarter final through bye system, Recurve Men team had a success in defeating comparatively strong team of France (224 Vs 209) in a pre-quarter final to face Australia in Semi Final but failed to win over Australia (217 Vs 211). In a very tense and tight Bronze Medal match, India shot 209 as compared to 213 points and went down to Italy by 4 points. Indian team ranked 4th.

COMPOUND WOMEN

No archer except Jhanu Hansdah could impress with her performance in Individual Women Compound Team. Jhanu Hansdah won 1/16 and 1/8 match but lost in ¼ match. Compound Team of Jhanu, Namita and Bheigyabati failed to overcome the strong challenge of Russian Team in ¼ elimination round. Team got 7th position.

COMPOUND MEN

The performance of Compound Men team in the World Cup can not be termed as satisfactory. It was very unfortunate that none of the Compound Archer except I.R.Sanam could cross the first hurdle of 1/32. In the team event also, they lost to Great Britain in their first elimination round.

Performance details of Indian Archers are attached as Annexure (B-II)

c) 2nd FITA Meteksan Archery World Cup - 2008 Tournament

The same team composition which represented the country in 1st World Cup-Santo Domingo were fielded for the 2nd FITA Mateksan Archery World Cup-2008 held at Porec (Croatia) from 15th to 19th April 2008. Mr.Sanjeeva Singh who was selected as Coach-cum-Manager could not attend the championship.

Indian contingent performance in 2nd World Cup are highlighted as under :-

The performance of Bombayla Devi in Individual elimination event was praiseworthy as she defeated three strong contenders before loosing in a breath-wreaking tie-breaker quarter-final scoring 107/107. She got 5th rank. V.Pranitha Devi gave a tough fight but lost in pre-quarter final. She was at 12th position. Chekrovolu Swuro lost out in 1/16 and Dola Banerjee lost out in 1/32 round. In Team elimination, Women Recurve Team failed to register any win in the tournament. They placed at 10th.

RECURVE MEN

Rahul Banerjee and Jayanta Talukdar did very well in Recurve Mens' individual section. **Rahul Banerjee** deserves to be singled out for his effort to win "**Individual Silver Medal**" and this is what Indian squad achieved from 2nd World Cup. He lost to Girouille R of France (116 Vs 109) in final. Before this, he took lead over world Championship and world record holder - Park Km (Korean) in semi final and Malaysian Archer in quarter final. Jayanta Talukder also shot very well staging

excellent marksmanship but lost out to Korean archer at ¼. Mangal Singh raised hope by winning two consecutive victories but did not beat his close opponent at 1/8. Exhibiting killer spirit in 1/8 and ¼ rounds, Men's Team clinched victory from Germany (224 Vs 212) and from Ukrain (226 Vs 219) but lost to Italy in nail biting semi final scoring 225 against 226. The bronze Medal match was shot between India and France. **Indian Trio - Rahul, Jayanta, Mangal Singh has gained their form back and bagged Bronze Medal with 7 points advantage over their rival, France (220 Vs 213).**

COMPOUND WOMEN

In Compound Women segment, Jhanu Hansdah deserves appreciation for her admirable performance in first three elimination rounds. However, her rhythm was disturbed in ¼ match and ultimately ranked 8th in the world. Vrushali Gorle, Namita Yadav and Bhageiyabati Chanu started nice by defeating Spain (214 Vs 205) at 1/8 but lost to Great Britain in quarter-final (222 Vs 210).

COMPOUND MEN

Same like 1st World Cup, the performance of Compound Men Archers was very dismal. Baban Kumar was the only one who got success to qualify for elimination round. Considering poor ranking in qualification round, team was also not allowed to compete in team elimination.

Performance details of Indian Archers are attached as Annexure (B-III)

Reena Kumari won only first 1/32 match whereas comparatively most senior member of team -Dola Banerjee was out of form in the whole competition. She failed to qualify for elimination round even. Women team of Bombayla, Reena and Dola stood at 13th position loosing its pre-quarter final against Japan securing miserable score of 191 against 193.

RECURVE MEN

The efforts of Rahul Banerjee (ranked 4th) deserve special mention and appreciation for tremendous efforts. Rahul Banerjee shot very well moving towards semi final by upsetting all his compatriots. The last arrow nervousness in semi final pushed him to Bronze medal against world record holder Korean archer, Kyung Mo Park. He fought boldly till the last arrow but missed the medal by one

point (111 Vs 110). Jayanta Talukdar (ranked 7th) was eliminated in quarter-final rolling three triumph in 1/32, 1/16 and 1/8 rounds in his name.

f) 4th FITA Meteksan Archery World Cup - 2008 Tournament

Taking into account the encouraging performance in World Cup -2009, it has been decided to field only Men Recurve Team of Rahul Banerjee, Jayanta Talukdear, W.Ranjan Singh, Priyank along with Shri Dharmendra Tiway as Coach and Lt.Col.Abhai Jawa being Manager in the 4th FITA Mateksan Archery World Cup-2008 at France from 23rd to 28th June 2008.

The performance, in brief, are shown hereunder and for details Annexure (B-VI) may refer :-

Jayanta Talukdar showed tremendous mettle in individual event. After beating Russian and Canadian archers easily in 1/32 and 1/16 rounds, Jayanta Talukdar advanced to pre-quarterfinal where he broke the strong challenge of JC Valladont (France) in tie-breaker neck to neck match scoring 107/10 Vs 107/9 to meet Xue HF of China in quarter final. Chinese archer took advantage over Jayanta by 3 points (111 Vs 108). Though Rahul Banerjee won his first match against Mongolian but went down to Great Britain archer in next round. Indian team comprising of Jayanta Talukdar, Rahul Banerjee, W.Ranjan Singh and Priyank clinched pre-quarterfinal from USA by securing 222 points against 216. The world champion-Korean gave no chance to Indians to move ahead. A ray of hope to win medal in the tournament could not be materialized when Korean earned 222 points versus comparatively low score of 209. Team finished at 7th.

g) 10th Junior & 4th Cadet World Outdoor Target Archery Championships

It is a matter of contentment that Junior and Cadet (Recurve and Compound) in both boys and girls sections have shown good results in the World Championships. Besides medal winning performance by Recurve Junior Women, Archers belong to Recurve Cadet Men and Compound Cadet Women Archers performed well but unfortunately failed to convert their wins into Medals. True can not be denied that our team grabbed two medals which is definitely behind the performance of 2006-Junior & Cadet World where they had established a landmark by winning five medals. But the achievements attained by them have more value at a time when the AAI is preparing our team for the next Junior and Cadet World Championships to be held at 2009-Ogden (USA) and the maiden 2010-Youth Olympic Games-Singapore. The following points highlight the results achieved during World Championships :-

- 1) **Pranitha Vardineni won "Individual Silver Medals"** in Recurve Junior Women section second time consequently in Junior World Championships;
- 2) **The Indian Recurve Junior Women team of Pranitha Vardhineni, Rimil Biruly and Belsri Narzary bagged Silver Medal.**
- 3) Recurve Cadet Men Archer, Hemanta Basumatary missed the Bronze Medal narrowly and ranked 4th in the overall Olympic Round. They were 2nd in FITA qualification round scoring a remarkable score of 3949 points.

- 6) The performance of Rimil Biruly (Recurve Junior women), Namita Yadav (Compound Junior Women), K.Nikkon (Compound Junior Men), Antanu Dass & Rajgovind Swansi (Recurve Cadet Men) was noteworthy. These archers have impressed a lot with their attempt in World Championship.

RECURVE WOMEN

The performance of all Recurve Women Archers was praiseworthy as two of them reached at semi-final and one lost at quarter-final. It was very unfortunate that two of our country-mates - Dola Banerjee and Reena Kumari met in Bronze Medal match. Dola Banerjee downed her compatriot Reena Kumari in the individual recurve bronze medal playing-off in the tie-breaker after the two ended the 12-arrow each contest at 102-102. **Dola** did not lose her nerve in the shoot-off. She finally took **Individual Bronze Medal** and Reena finished at 4th position. Bombalya Devi (rk.5th) lost her quarter-final tie breaker match scoring comparatively high of 106 points.

Women team lost out in quarterfinal against Great Britain by margin of 1 point and got 5th rank. In qualification round, they were at 1st position.

RECURVE MEN

The performance of Jhano Hansdah, Bheigyabati and Vrushali Gorle won 1/32 round was not upto satisfaction in individual event. Finally, the ladies **team** of India quite easily clinched the compound women's **Bronze Medal** from Venezuela on the final score of 219-208.

They both were very nice with great humanities qualifies, good habits, and sincerity. Soumen, popularly known as Bhola, served as SAI coach both at Delhi and Kolkata and trained and accompanied the Indian team from mid 1980 till the end of 1990s. Late Mrs.Basanti Devi worked very hard to select the young and talented Archers, particularly in North-Eastern Region for Training.
